ORGANIC PRODUCT PROFILE (OPP) – Simple Version

This OPP Simple Version is to be completed by processors who have 5 ingredients (or fewer) in their products and each ingredient is a single ingredient (not a blended ingredient).

NOTE: Non-organic ingredients and processing aids shall comply with prohibitions in 1.4 of CAN/CGSB 32.310.

Please complete the following information for each individual organic product that you wish to certify. Attach a proof of the label for this product if you have it ready.

Enterprise name:		Date submitted:	
------------------	--	-----------------	--

Name of finished product: (as it will appear on your certificate)			
How will it be packaged:	<input type="checkbox"/> Wholesale/Bulk	<input type="checkbox"/> Retail	<input type="checkbox"/> Other (eg. sample sizes)

PRODUCT COMPOSITION: Include ALL ingredients (organic, non-organic, water and salt) in descending order

[Note about non-organic ingredients: any ingredient that is not certified organic must have documentation confirming that the ingredient is not made from genetically-engineered ingredients (Non-GMO statement) and have a Non-Organic Ingredient Declaration (NOI) completed by the manufacturer]

Ingredient	Source/supplier	If organic, certifier:	If non-organic, Non-GMO & NOI attached?	Weight or volume of ingred (same unit for each ingredient)	% of finished product	Certification Committee

ORGANIC INGREDIENT PERCENTAGE:

- Total weight (or volume) of all **organic** ingredients:
- Total weight (or volume) of ALL ingredients except water and salt:
- Divide the number in point 1 by the number in point 2:
- Multiply the number in point 3 by 100: %

The finished organic product is made with (check one):

- 95% or more certified organic ingredients 70%-95% certified organic ingredients

Pacific Agricultural Certification Society

PROCESSING AIDS (not present in the final product or at insignificant and non-functional levels):

List of all processing aids <i>(see table 6.5 of CAN/CGSB 32.311)</i>	Brand name	Manufacturer	GMO status documentation & Spec sheet attached	Certification Committee

For any ingredients that are not certified organic describe your efforts to source certified organic products:
